**Advent Lutheran School Breaks Ground for New Building**

Boca Raton, Florida – Approximately 350 school children (pre-school-8<sup>th</sup> grade) participated in a groundbreaking ceremony on November 13, 2006 to launch the construction of the new, two-story kindergarten, language and art building at Advent Lutheran School. The building is part of a 20-year plan to unify Advent's 14 acre campus. The project also includes a new parking lot and a reconfiguration of the campus to make it safer and more accessible for church members, students, residents and all of Advent's community.

Boca Raton Chamber of Commerce President Troy M. McLellan joined The Reverend Dr. Andrew D. Hagen, Pastor of Advent Lutheran Ministries, and Dr. Paul Buchheimer, Headmaster of Advent Lutheran School as they blessed the land and prayed for the project.

Advent Lutheran School offers a fully accredited program in a Christian environment for children ranging from infants through eighth grade. Founded in 1972, Advent provides students with the highest quality of educational standards and Christ-centered care in a loving and family oriented environment.
